- Language: English, Myanmar

MY PROJECTS

Leaves Management System
(<https://github.com/nyizeya/fullstack-202202/tree/main/leaves-management-system>)

- A web app which you can use to register the absent students. It includes role based authentication implemented with Spring Security.

A Small Spring Security Demonstration
(<https://github.com/nyizeya/a-small-spring-security-project>)

- This is just a small demonstration of spring security authentication.
